

Romantic Garden Mural brings memories of romance and beauty of the natural world.

“Every flower is a soul blossoming in nature.” – Gérard de Nerval (French writer, poet, and translator Gérard Labrunie, a major figure of French romanticism...)

Canadian artist Marlene Luce’s inspiration comes from a mixture of images from the natural world while traveling.

This unique collection is now available and custom printed on non-woven mat stucco effect wallpaper suitable for residential and commercial projects. For further information, I invite you to contact my representatives in New York and Amsterdam.
