

Romantica Mural is a fusion of images from Lake Como bringing romanticism into our environment to infuse a sense of beauty and art.

“To say the word Romanticism is to say modern art – that is, intimacy, spirituality, color, aspirations towards the infinite, expressed by every means available to the arts.” – Charles Baudelaire

This unique collection is now available and custom printed on non-woven mat stucco effect wallpaper suitable for residential and commercial projects. For further information, I invite you to contact my representatives in New York and Amsterdam.
