

**Green Pond Mural** brings a strong message of love and abundance.

*“Love for your work, love for another person, love for yourself - love is a huge pond, and it's never empty. You can go and take from it, and it will give you strength.” – Vicky Krieps ( Luxembourgish-German actress.)*

Canadian artist Marlene Luce's inspiration comes from a mixture of images from the natural world while traveling.

This unique collection is now available and custom printed on non-woven mat stucco effect wallpaper suitable for residential and commercial projects. For further information, I invite you to contact my representatives in New York and Amsterdam.
